

Warm-Up Ideas

Vary warm-ups each day and remember to keep it short; 2-5 minutes is all you need. Warm-ups are not limited to these ideas, they are only to get you started or help when you feel stuck

- Addition and Subtraction Flashcards, some each day
- Calendar
- Counting Coins and Bills
- Subitizing Cards
- Number Bonds
- Number Bonds/Making Ten
- Start a weekly or monthly weather graph & interpret the results
- Tell time with an analog clock
- Any quick practice from lesson you have completed
